This shd. be
intimated in the
first notification.
Details regarding
the duration of the
examination in the scope of the papers,
different subjects, text
books, etc. (compulsory subjects)
will be
notified shortly.
(in lieu of the
note in p. 6).

1. I do not expect the Board will attempt
to modify the scheme. The candidates will
be naturally anxious to know whether the
examination will be held under the old or the
new scheme & immediate publication is, therefore,
^{highly} desirable. The details about papers & the
text books under Compulsory 3. (Eng. Lit.) may
be, as suggested, notified* later after the Board
has met.

2. The duration of the compulsory papers
is fixed on the basis of the old scheme,
while that of the optional papers is left
open. I suggest that the no. of hours for
each of the papers be not fixed now, as the
Board may possibly like to fix the same
length of time for all the papers.

3. Clause of the draft B. 9. "one or more
optional subjects", requires change. As the
maximum no. of marks permissible is 1000,
no candidate is likely to limit himself to
one optional group only, the wording may be
altered to

"(ii) optional subjects, is provided that in
the aggregate the maximum does not
exceed 1000 marks"

N.B. A Candidate is at liberty to make up
the aggregate by any combination, provided
that in the case of no group, the ^{prescribed} ~~prescribed~~
^{prescribed in each case} aggregate is exceeded."
[The intention of the Committee was that a
Candidate shd. be at liberty to make any
selection].

4. The note on p. 5 about the standard in the
Science & Mathematics papers & the note on p. 7
about ^{the standard in the} optional subjects are slightly at variance.
The latter note might be altered to read
as follows:

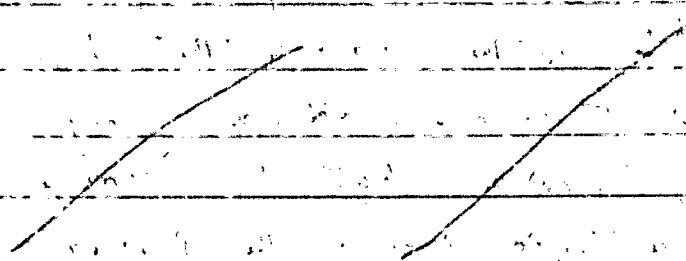

"The Examination in the optional subjects
will be somewhat wider in scope & of a higher
standard than those for the B.A. degree of the Mysore
or the Pass B.A. ~~in the~~ other Indian Unvers,
But in the case of the divisions of the
higher divisions of the Maths. LSc. group, somewhat ~~as~~ higher
the standard will be somewhat higher in examination for
than for the corresponding ~~same~~ subjects ~~in the~~."
at the B.Sc. degree of the Mysore p. 5., Mysore Univ.
University. ~~of the above~~

5. I trust the date of the Examination will not be later than 12th Dec.

the above suggestions.

D. O. No. M.C.S. 4.
Enc.- One.

Bangalore.
April. 1927.

Dear Sir,

As desired in your D.O. letter No. 3045 dated 11th April 1927, I herewith enclose a draft notification regarding the holding of a Competitive Examination for the selection of probationers for the Mysore Civil Service to be held in December 1927.

2. The changes made in the draft notification now prepared as compared with the one issued for the Examination of 1924 are:-

(a) The omission of note (i) to para 2 to the notification of 17th March 1924 since the results of those who appear for the Examination would all have been published before the date fixed for the receipt of applications for admission. There may or may not be a second Examination in September 1927, for those who fail in the April Examination, but these may, I think, be left out of consideration. For the same reason, the portion beginning with "and those of other registered candidates xx xx xx not later than 20th July 1924" occurring in para 6 of the above notification has been omitted.

(b) The grouping of subjects follows the order given in Government order No. 2713/C.B. 133-24-11 dated 12th April 1926.

(c) An explanatory note has been added under para 9 stating that every candidate shall take

(i) The Compulsory subjects

(ii) One or more optional subjects which must not carry in the aggregate more than 1000 marks and

(iii) that he may take, at his option, one Extra numerical subject.

3. The date of commencement of the Examination has been put down tentatively 12th December 1927 and other dates have been fixed with reference to this. If the Examination is to come later, this date

P.T.O.

will have to be suitably modified.

4-In this connection, I have to state that until a Board is appointed, it will not be possible to fix the number of papers on some subjects (E.G. in the Mathematics and Science groups) or the duration of some of the papers. It is also for the Board to prescribe text books under compulsory subjects, item No. 3. English Literature and the periods for study under some of the subjects of the History Group. I would therefore suggest that a Board may be appointed at once. If this is done, I can arrange for a meeting of the Board early in May and submit a draft notification by the 15th May. This was the procedure adopted for the Examination of 1924.

Yours sincerely.

CHIEF SECRETARY

N. S. Subbarao

A competitive examination of approved candidates will be held at Bangalore, beginning on the 12th December 1927 for the selection of Probationers for the Mysore Civil Service.

2. Candidates must not be over 25 years of age on 12th December 1927 and must have graduated in Arts, or Science or Commerce in an Indian or other University. They must be natives of Mysore by birth or domicile.

Note:- A person acquires a domicile in Mysore when he has voluntarily fixed the habitation of himself and his family therein, not for mere special or temporary purposes but with the present intention of making it his permanent home. A continued residence for five years shall be prima facie evidence of having acquired a domicile.

3. Applications for admission to the examination should be forwarded to the Inspector General of Education in Mysore and Secretary to the Board for the Management of the Mysore Civil Service Examination, Bangalore, so as to reach him on or before the 30th June 1927. 5. Every candidate should forward with his application the following certificates and statement:-

- (1) A certificate of birth.- This may be a certificate from a Registrar of Births, a baptismal certificate, or a certificate from a Justice of the Peace or Magistrate who shall give it only after satisfying himself

22

that the date of birth given is correct by means of the candidate's horoscope of authenticated extracts from school registers or such other evidence as he may consider sufficient.

- (ii) A certificate of good moral character.- This certificate must be dated not earlier than the 1st of January 1927 and must be granted by a person of known respectability, not a relative, who has been intimately acquainted with the candidate at least for the three preceding years.
- (iii) A certificate or certificates of progress and conduct from the authorities of the last Educational Institution at which the candidate may have been educated.
- (iv) Evidence showing the occupation of the candidate's father or guardian and the social status of the candidate's family.
- (v) Evidence showing that the candidate is a native of Mysore by birth or domicile.
- (vi) A provisional certificate in Form B appended from a Medical Officer not below the rank of a Surgeon, or from a District Medical Officer that the candidate possesses a good physical constitution and is fit for the active duties of an executive officer.
- (vii) A statement showing when and in what branches and in what class or classes the candidate has passed the B.A., B.Sc., or B.Com. Degree Examination, and of what University.

6. The names of such of the registered applicants as may be approved by His Highness the Maharaja will be published in the Mysore Gazette, not later than the 31st July 1927.

7. Approved candidates whose names appear in the lists published under the last preceding paragraph must appear before a Medical Board at Bangalore, on a day in the month of October 1927, which will be notified by the Secretary to the Mysore Civil Service Examination

Board, and only such of them as may be passed by the Medical Board will be allowed to proceed to the examination.

8. THE fee paid by any candidate who may not be permitted to sit for the examination either because he is not approved by His Highness the Maharaja or is not passed by the Medical Board will be returned.

9. The Examination will comprise the following compulsory, optional and Extra Numerum subjects. Every candidate should take:-

(i) The compulsory subjects.

(ii) Optional Subjects, provided that in the aggregate the maximum does not exceed 1000 marks.

(iii) ~~One or more optional subjects which must not carry~~ in the aggregate more than 1000 marks.

A candidate is at liberty to make up the aggregate by any combination, provided that in the case of no group the aggregate prescribed in each case is exceeded.

He may also take, at his option, one Extra Numerum subject, if

The Candidate desires

N.B.- The candidates will, as a rule, obtain their marks mainly under the Compulsory and Optional subjects, but the permission to add an Extra Numerum subject will enable a really competent candidate to master an entirely new subject and add to his total. In this case, in order that no one may obtain a place by obtaining a few marks for scrappy knowledge in the subject offered under this head, no ~~xxx~~ credit will be given for marks below 20 % in this subject.
